

# Nominations open for **TechCentury's** Image Award

Deadline is February 28, 2018

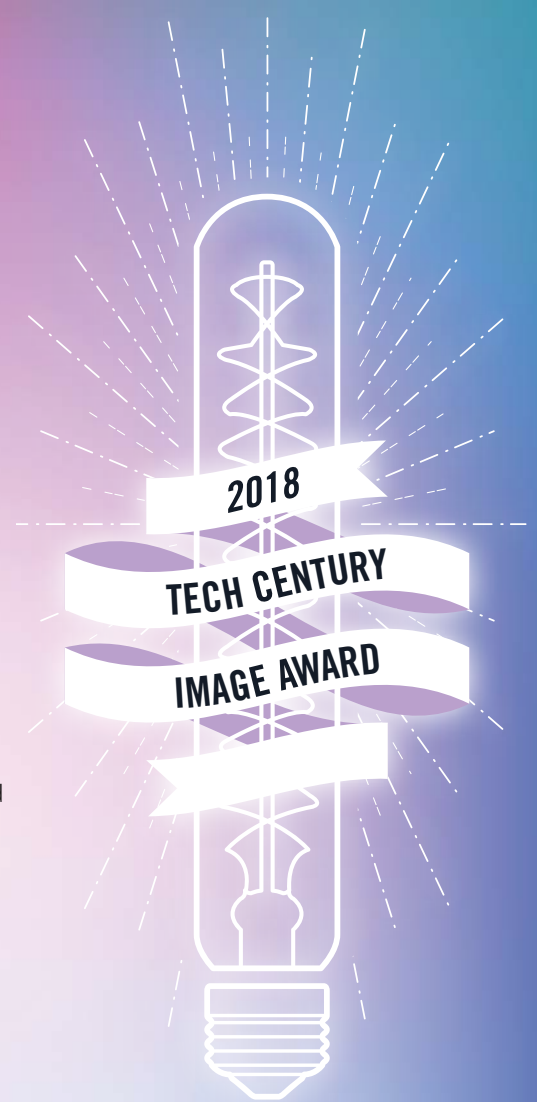

**TechCentury** is an award-winning publication of The Engineering Society of Detroit that has been serving the needs of engineers and technical professionals since 1939. Published four times a year and online, the magazine covers a multitude of technical topics: the Blue Economy, Nanotechnology, Cyber Security, Sports Engineering, Smart Systems, etc. *TechCentury's* Image Award is bestowed on a person who has advanced awareness of engineering and the technical professions in noteworthy and innovative ways.

## **Award Criteria:**

This award is intended to recognize individuals who have promoted, publicized, and enhanced the engineering and technical professions to the public-at-large through public engagement, mentoring, public speaking, authoring articles, and other publicly visible activities.

## **Nomination Requirements:**

- Nominator provides the required supporting information to the ESD Editorial Board, including:
  - The Nominee's CV
  - A 200-word, or less, description of why the Nominee fulfills the award criteria
  - The names of two (2) individuals, in addition to the Nominator, who can attest to the Nominee's qualifications for this award
  - An example of the Nominee's work: article composed, news article, event record, speech given, testimonial, etc.
- Entries must be received by no later than 5 p.m. (EST) on February 28, 2018.
- Nominees do not have to be ESD members. Nominators must be ESD members.
- The award winner must be present at the ESD Awards Dinner held in June, or if they cannot attend, someone must attend on their behalf.

**Nominator must  
submit entries to:**
