Greece 12 MW

Number of power stations
Safety is our #1 priority

Our SPIRIT values

- Safety, health & environment
- Respect & responsibility
- Performance
- Integrity
- Innovation & initiative
- Teamwork
Everyone is a safety leader

Everyone at EDL is accountable for safety in the workplace.

EDL people understand our safety accountability and how each of us has a duty to ensure our action, or failure to take action, does not harm others.
Safety Management

- Leadership
- Training
- Systems

Complacent
Hurried
Annoyed
Tired
Safety Communication

- Empowerment to *Stop the Job*
- Safety inductions
- Safety shares
- Global *Stop for Safety*
- Multimedia

*Opportunities ahead: A world of new energy.*
Safety Share

A world of new energy
Closing thoughts

- Safety leadership and personal accountability in every employee, at every level, is vital
- Behavioural training is essential to protect against complacency
- What should everyone in this room be doing to make this industry safer?
Thank you
