

CALL FOR PRESENTATIONS

Due Friday, February 3, 2023

In its 24TH year, this conference, the only one of its kind in Michigan, is designed to educate small to large commercial and industrial businesses on technology, products, and services that will assist them in successful energy management. The event draws close to 850 people every year.

You are invited to submit a presentation proposal. Presentation time slots are 30 minutes and can feature a case study or proven example that addresses any of the following topics:

- Energy Optimization
- Financial
- Mechanical
- Project Management
- Energy Control Systems
- LEED Certified Projects
- Lighting Controls/Systems
- Michigan Energy Code Compliance
- Food Service
- HVAC
- Refrigeration Systems

SUBMISSION REQUIREMENTS:

- Submit an abstract of your oral presentation that:
 - + Is no longer than three paragraphs, noting which of the topics above your presentation addresses.
 - + Clearly presents a topic that is related to energy efficiency.
 - + Outlines the benefits attendees will take away from your presentation.

- E-mail your presentation abstract including title, author, affiliation and e-mail address in PDF or Word format to: **Leslie Smith, CMP** at **lsmith@esd.org** by **Friday, February 3, 2023.**
- If your presentation is accepted by the Energy Conference Planning Committee, you will be notified of your acceptance by **Friday, February 21, 2023.**

ATTENDEES INCLUDE:

- Building Owners/Property Managers
- Chief Engineers
- Electrical & HVAC Engineers
- Energy Managers
- Facilities Directors, Engineers & Managers
- Maintenance Engineers & Managers
- Operations Managers
- Plant Engineers & Managers
- Purchasing Managers
