

WELCOME TO GRANGER

Safety Considerations at Active
and Closed Landfill Sites

GRANGER®

AGENDA

● Emergency Plans

● General Site Safety

● Monitoring

● Confined Spaces

● Safety Tailgates

GRANGER®

IN THE EVENT OF EMERGENCY

-  **First Aid / AED**
-  **Fire Extinguishers**
-  **Emergency Exits**
-  **Severe Weather**

GENERAL SITE SAFETY

BUCKLE UP

GRANGER
WASTE SERVICES

REQUIRED PPE

- High visibility gear
- Hard hat
- Eye protection

CELL PHONES

- No cell phone use while driving

WHEN UNLOADING

- Minimize conversation
- No picking or scavenging

AWARENESS

- Maintain 12ft clearance from adjacent equipment
- Be aware equipment operators may not see you
- Make yourself visible by establishing eye contact
- Stay within 6ft of your vehicle at all times

SEVERE WEATHER

- When conditions warrant, exit the landfill or disposal center and seek shelter as needed.
- In emergency situations, shelter can be found in heavy equipment or office buildings
