

# 33rd Annual Solid Waste Technical Conference 2024

THE ENGINEERING SOCIETY OF DETROIT®  
FOUNDED IN 1895

Conference Day: **Wednesday, March 6, 2024**

Kellogg Hotel and Conference Center • 55 S. Harrison Road, East Lansing, MI

In its 33rd year, the Solid Waste Technical Conference focuses on cutting-edge technological innovations and solutions related to the solid waste industry. The one-day conference, March 6, 2024, brings together national experts to present on issues related to policy, new technologies, regulatory updates and what the future holds for the industry.

This conference has been designed with waste management and environmental

professionals in mind. Whether you're in private industry, a government employee, consultant, or equipment supplier, this conference will be beneficial to you. It will give you the opportunity to:

- Network with industry leaders and professionals in the solid waste field
- Hear about the latest technology and regulatory information
- Learn about emerging technologies and regulatory changes affecting the industry
- Gain information from presentations and case studies

## INTERESTED IN ATTENDING THIS CONFERENCE?

Visit [www.esd.org](http://www.esd.org) for more information including registration costs, and to register online, or call 248-353-0735 to register by phone.

## CALL FOR PRESENTATIONS

You are invited to take an active role in this event by submitting a presentation proposal. Hands-on or demonstration presentations are preferred. Submit an abstract of your oral presentation that:

- Is no longer than 250 words
- Clearly presents a topic that is related to the solid waste industry
- Outlines benefits attendees will take away from your presentation

Email your abstract in PDF format along with presentation title to [lsmith@esd.org](mailto:lsmith@esd.org) by Friday, December 1, 2023. Accepted presenters will be notified in late December 2023.
