

techcentury

A PUBLICATION OF THE ENGINEERING SOCIETY OF DETROIT

CONNECT WITH 20,000+ ENGINEERS AND ENGINEERING LEADERS

Technology Century Quarterly Magazine

- A trusted resource for engineers and technical professionals since 1939.
- Available online and in print.
- Appeals to a wide range of audience, interest, education and professional backgrounds.
- Includes engaging interviews with Michigan leaders.
- Provides critical information to help facilitate partnerships, assist with best practices and career growth.

Digital Distribution: 18,500+ engineering leaders

Print Circulation: 1,500+ engineering leaders

PLUS: Our Online Tech Blog, techcentury.com

- **TechCentury.com** is a Michigan-focused tech news blog powered by The Engineering Society of Detroit and Lawrence Technological University, featuring the latest in Michigan and Midwest technology news, written and edited by veteran technology journalist Matt Roush.
- Updated daily, with email distribution, the website covers science, engineering, information technology, high-tech manufacturing, STEM education, tech-based economic development, energy, automotive telematics and more.

Feature your company on the cover of TechCentury!

Get premium exposure by sponsoring an issue.

We will put a photo of your choice on the cover, run your 4-page article as our feature, and include a full-page prominent ad from your firm. Details on reverse.

SPONSOR AN ISSUE \$5,200

Issue sponsors receive our highest level of exposure:

- **FRONT COVER:** Feature your firm or project on our magazine cover, along with your logo. Submit one or more possible high-resolution cover images, and our design team will use that on the cover.
- **4-PAGE ARTICLE:** Our headline story will feature your firm or topic. Simply provide us with a 1,200 to 2,500 word story and photos, and our design team will do the rest.
- **BACK COVER:** Submit a full-page ad for the back cover.
